**Location: Manchester**

---

## **Job Profile**

Go Traffic Management are seeking to recruit an experienced CAD Technician. We are a busy company that needs positive, hardworking people to join our ever-growing team. You will be able to produce various Traffic Management drawings to support our growing business needs. A good understanding of traffic management scenarios would be preferable and a willingness to learn and progress is a must. This represents a great opportunity to join a fast-growing business and develop your experience further.

## **Duties and Responsibilities**

- Produce Traffic Management CAD drawings using AutoCAD
- Liaise with depot managers, agents, sales managers and other job associated people, give progress updates
- Awareness of the timescales and SLA's available for undertaking required works
- Ad-hoc duties as required including administration duties

## **Competencies**

- Organised
- Creative
- Motivated
- Team Player
- Communication

## **Qualifications and Experience**

- Excellent CAD skills – 2D essential, 3D an advantage
- Have good IT skills – Excel, Word and Outlook
- Traffic Management knowledge/qualifications would be preferred
- Excellent communication skills
- Ability to follow directions competently
- Ability to work in a team and on own initiative
- Willingness to learn new skills
- Ability to deliver under pressure
- Able to handle multiple projects across several locations

**At GTM, we are always looking for people who can help us deliver exceptional service to our clients and customers. We carry out a wide range of activities in a variety of sectors, so careers with us offer plenty of opportunity for progression.**

**We believe in long term investment in our employees, including training, development programmes and development. We are committed to recruiting from every community regardless of gender, age, race, disability, sexual orientation or social background.**

*We are Armed Forces-friendly. We welcome applications from ex-Armed Forces personnel, reservists, armed forces veterans, cadet instructors and military spouses/partners.*
