

## **Traffic Management CAD Technician**

### **Our Company**

Go Traffic Management has been in operation since 2007, initially serving clients in the North West, Midlands and Yorkshire regions. Over the last decade, the business has expanded significantly, based on an excellent reputation for performance and delivery. The company is now one of the UK's largest traffic management providers, with local depot bases up and down the country.

### **Our role**

As an experienced Traffic Management CAD Technician, you will be required to produce Traffic Management CAD drawings for various Traffic Management scenarios for a range of projects and clients in different locations across the country. Our high standards must be maintained on each drawing to meet client and council specific requirements.

### **Key Responsibilities**

You will produce Traffic Management drawings using AutoCAD for Traffic Management scenarios such as Give and Take, Priority System, Stop/Go boards, Portable Traffic Signals, Convoy Working, Road Closures, Diversions and Lane Closures

You will liaise with our CAD Department Manager, Depot Managers, Agents and Client planners to give progress updates

You will show good awareness of the timescales for undertaking required works and ensure that client specific SLA's are met

You will show excellent communication skills to ensure that our clients are kept up to date with the progress of their requests

You will be able to work under pressure to meet strict SLA's for each client

You should have the ability to work well both in a team and on your own initiative

### **Experience and Qualifications**

AutoCAD 2015

Good IT Skills – Word, Excel, Outlook

Traffic Management knowledge/qualifications advantageous

### **Salary and Benefits**

We offer a competitive salary based on experience

Go Traffic Management is proud to be an Equal Opportunity Employer. We celebrate diversity and do not discriminate based on race, religion, colour, nationality, sex, sexual orientation, age, veteran status, disability status, or any other applicable characteristics protected by law.

We are Armed Forces-friendly. We welcome applications from ex-Armed Forces personnel, reservists, armed forces veterans, cadet instructors and military spouses/partners.

We understand that privacy and the security of your personal information is extremely important. By applying for this role, you agree to the terms of our privacy policy which you can find here – [www.gtm.co.uk/privacypolicy](http://www.gtm.co.uk/privacypolicy).
