

Depot Manager

Our Company

Go Traffic Management has been in operation since 2007, initially serving clients in the North West, Midlands and Yorkshire regions. Over the last decade, the business has expanded significantly, based on an excellent reputation for performance and delivery. The company is now one of the UK's largest traffic management providers, with local depot bases up and down the country.

Our role

As a Depot Manager, you will oversee all day-to-day activities in the depot liaising directly with the Regional Manager to ensure all client KPI's are met and the depot functions in a profitable, safe manner.

Key Responsibilities

You will supervise all operatives to ensure a high standard of work is maintained

You will ensure all 12D paperwork is completed legibly and returned to the relevant department.

You will perform site specific checks on all site set ups that have been carried out that week to ensure safety and compliance

You will be responsible for daily form checks on Vehicle Locks, Vehicle Checks and defects

You will ensure the completion of a site audit per team per month, working with the Operations Manager to ensure LRQA compliance

You will ensure 24/7 call out service is always available via the Rota system already agreed

You will deliver team compliance briefs with the Operations Manager. Also provide input for the Monthly / Bimonthly Team Brief for Support Services Manager

You will manage the administration / customer service team

You will ensure the depot remains compliant with customer KPI's

You will work closely with the Operations team to recruit staff and ensuring all members of staff receive the appropriate training

You will attend client site visits and complete site surveys

You will maintain a good working relationship with all clients
