

## **Regional Manager**

### **Our Company**

Go Traffic Management has been in operation since 2007, initially serving clients in the North West, Midlands and Yorkshire regions. Over the last decade, the business has expanded significantly, based on an excellent reputation for performance and delivery. The company is now one of the UK's largest traffic management providers, with local depot bases up and down the country.

### **Our role**

As a Regional Manager, you will plan and prioritise the Depot Managers daily workload to ensure maximum productivity and utilisation of plant, equipment and resources. Working with the Depot Managers, you will lead the day to day running of the business across your region from both a commercial and operational viewpoint.

### **Key Responsibilities**

You will oversee and manage all operations working closely with the Depot Manager ensuring working time directives are met and all activities are delivered in a safe and timely manner

You will manage all commercial activities working closely with the Manager/ General Manager and Back Office Support

You will support the Depot Managers in directing a team of TM Operatives ensuring a high standard of work is maintained

You will ensure that business KPI's and profitability are achieved and exceeded

You will maintain and improve operational efficiency, cost and service levels, ensuring operational compliance

You will look to minimise operational costs through review of P&L sheets

You will oversee current and planned workloads to ensure full resource utilisation

You will liaise with Sales to improve customer service and identify new revenue streams

You will attend client meetings to ensure all SHEQ legislation and Highways Agency COPs are adhered to

You will assist the BD Manager & Commercial teams in the pricing of Traffic Management Schemes

You will work closely with the Depot Manager with the recruitment of staff and ensuring all members of staff receive the appropriate training

You will produce and deliver Briefings to update staff on Compliance, GTM performance

You will drive communications within the Depots and with other departments

### **Experience and Qualifications**

Lantra 12A, B, C and D, 002, 010

Preferably Lantra LTMO or TSCO

Full clean driving license

Experience in reading and relaying information on Utility Drawings

Experience using CAD to generate TM drawings

Auditing experience or training qualifications an advantage

### **Salary and Benefits**

We offer a competitive salary based on experience along with a full benefits package.

Go Traffic Management is proud to be an Equal Opportunity Employer. We celebrate diversity and do not discriminate based on race, religion, colour, nationality, sex, sexual orientation, age, veteran status, disability status, or any other applicable characteristics protected by law.

We are Armed Forces-friendly. We welcome applications from ex-Armed Forces personnel, reservists, armed forces veterans, cadet instructors and military spouses/partners.

We understand that privacy and the security of your personal information is extremely important. By applying for this role, you agree to the terms of our privacy policy which you can find here – [www.gtm.co.uk/privacypolicy](http://www.gtm.co.uk/privacypolicy).
