

## **Quantity Surveyor**

### **Our Company**

Go Traffic Management has been in operation since 2007, initially serving clients in the North West, Midlands and Yorkshire regions. Over the last decade, the business has expanded significantly, based on an excellent reputation for performance and delivery. The company is now one of the UK's largest traffic management providers, with local depot bases up and down the country.

### **Our role**

The role of Quantity Surveyor will see you support the Commercial Manager; helping to drive efficiencies, manage costs and regional performance for our clients. This role will see you take control of all financial aspects of the project; overseeing all commercial & contractual matters. You will deliver desired margin return utilising high standards of commercial acumen. Whilst identifying, recording and tracking, both risks and opportunities.

### **Key Responsibilities**

You will manage and monitor project costs including weekly P&L reporting

You will review contract documents and advise on any issues

You will track the progress and cash flow forecast information

You will produce and review commercial forecasts, Cost Value Reconciliation (CVRs) and Project Finance Reports

You will take responsibility for Subcontract Management; including Subcontract Forecasting, raising Subcontractor Orders and Negotiating Subcontract terms

You will prepare subcontract documents, enquiries and assessment of quotations

You will place subcontract orders, agreement and certification of subcontract valuations, invoice, subcontract payments and final account agreements

You will be responsible for the management of the change control process, risk and value management

You will manage and track project changes, variations and/or notices

You will assess and value variations and compensation events

You will prepare and submit interim valuations and payment applications to clients, along with the agreement of final accounts

You will attend risk review, progress and commercial meetings on-site with the Client

You will assist with ad hoc tenders and pricing

You will assist with GTM Monthly Financial review; including Overall forecasting and Efficiency planning

You will assist Credit Control with cash recovery and forecasting

You will Support the operational team in daily commercial and contractual aspects

### **Salary and Benefits**

We offer a competitive salary based on experience along with a full benefits package.

Go Traffic Management is proud to be an Equal Opportunity Employer. We celebrate diversity and do not discriminate based on race, religion, colour, nationality, sex, sexual orientation, age, veteran status, disability status, or any other applicable characteristics protected by law.

We are Armed Forces-friendly. We welcome applications from ex-Armed Forces personnel, reservists, armed forces veterans, cadet instructors and military spouses/partners.

We understand that privacy and the security of your personal information is extremely important. By applying for this role, you agree to the terms of our privacy policy which you can find here – [www.gtm.co.uk/privacypolicy](http://www.gtm.co.uk/privacypolicy).
